**Всемирные юниорские игры IWAS, Первенство Мира-2013г. г. Майягуэз (Пуэрто-Рико) 1-14.08.**

Состязания на играх проводились в 4 видах спорта: Л/атлетике, паратриатлоне, стрельбе из лука, плавании. В рамках этих юниорских игр проходил мировой турнир по Л/атлетике. Россия смогла направить на эти соревнования только команду по Л/атлетике с ПОДА и то в сокращенном составе ровно в 2 раза. (планировалось 22 спортсмена, выехали только 11). Сборные США, Бразилии были по своим составам в несколько раз больше, тем не менее наша команда выступила очень успешно, завоевав в легкой атлетике 2 место, уступив лишь команде США. Установлено 2 Юниорских Мировых рекорда Кривенок С. и Хрупин А. в толкании ядра. Ребята выиграли 12 золотых 8 серебрянных 4 бронзовых. Одну золотую в эстафете 4X100м организаторы не учли и не наградили участников, хотя соревновались 6 команд.

Все результаты выступлений в приложении.
